39 I can confirm they know. Let's just say I have friends that are active members. And at this time they all have shut off all social media. Not sure what that means. But pretty sure I know exactly what that means.

6 Hey Vice used to put out quality shit, that 3%er video included. They used to go into the sewer-tunnel homeless encampments of Venezuela, and into warzones, and other cool stuff. The last 5 years, Vice sucked donkey dick.
